The Honorable Rosa DeLauro
United States Representative
Third District, Connecticut
59 Elm Street
New Haven, CT 06510

Dear Congresswoman DeLauro:

I want to take this opportunity to express my concern about the United State Postal Service exploring the option of consolidating the Trolley Square Post Office facility on Main Street to a Postal facility on Frontage Road in East Haven. I have also heard from constituents who are extremely disappointed and upset at the possibility of losing such a centrally located and convenient spot to conduct their postal business.

I think that we agree that relocating the current postal facility from the town center to a remote location, without adequate public transportation service and pedestrian access, will cause a significant inconvenience for town residents, especially the senior citizens. Furthermore, moving the current postal facility would be detrimental to the progress that has been achieved in revitalizing the East Haven Town Center, and unfavorable for future economic development.

I too would implore the US Postal Service to seek input from the public as it moves forward with its consolidation study at this location. I want to thank you for intervening with the United States Post Office on the behalf of the town of East Haven and I extend my support and assistance in the effort to save the Trolley Square Post Office facility.

Thank you again for your attention to this matter and for your continued support of the Town of East Haven and the entire region.

Sincerely,

Len Fasano
